READ TO ACHIEVE

POWERED BY Xcel Energy®

Dear Parent/Guardian,

Get excited, Read to Achieve is back for its 24th season!

Our program helps kids build a love for reading, the same way practice helps the Wolves prepare for every game.

HOW IT WORKS

- Each time your child reads for 20 minutes, they color in a basketball.
- The goal is at least 500 minutes between Oct. 26 and Dec. 6.
- When they reach 500, complete the info section and return the sheet to their teacher.

THE REWARDS

- Readers who read 500+ minutes will score a complimentary* Timberwolves ticket!

*With the purchase of an adult ticket.
